The Reverend Nigel Mumford is Director of Healing Ministries at Christ The King Spiritual Life Ministry, Greenwich, N.Y.

Father Nigel was born and educated in England. He served for six and a half years in Her Majesty's Royal Marine Commandos. His last two years as a marine were serving as a drill instructor at the Commando Training School.

After his military service his conviction to pray for healing came after witnessing his sister experience a dramatic healing from a neurological condition that had left her close to death. Fr. Nigel became an ordained priest on December 17, 2005

“As a commando it was my job to teach recruits to kill or be killed. It is now my privilege to teach people to heal and be healed. My primary calling is to put people in touch with Christ the Healer, the Lover of Souls.”

Fr. Nigel is a powerful and inspiring speaker as well as a published author.

Father Nigel will also preach at the Sunday Eucharist the following day. We warmly invite you to share this time of prayer, worship and healing with us.
