I am requesting reinstatement:

An Associate Member is encouraged to complete the Research and Study Program within six months. Participation with an OSL chapter during this period facilitates the study as well as acquaints you with the general work of the Order in your area. After at least six months as an Associate Member, and upon completion of the required study, you may apply to an OSL Chaplain or Regional Warden for induction as a Full Member.

Membership entitles you to a voice in the internal affairs of the Order, plus a one-year subscription to SHARING Magazine. Additional benefits are provided from time to time. You are also eligible to vote and to hold certain office positions.

No one is denied membership in the Order because of inability to pay dues, so long as there is evidence that he/she is actively engaged in meeting the Order's objectives (1982 By-laws, Article 1, Section 1). Apply to the Chaplain of your local chapter.
